STAT

Mr. Allen Dulles has asked me to acknowledge your letter of 24 October 1951 regarding employment with the Central Intelligence Agency.

Unfortunately, there is little we can tell prospective employees as to the nature of their duties until our personnel people have had an opportunity for a personal interview. I have, therefore, asked them to get in touch with you to determine whether we have a position that will be of interest to you and wherein your services can be utilized by this Agency.

Sincerely,
